**RE: Price increase notifications**

Dear Valued Customer,

Benjamin Franklin once said that there are only 2 things certain in life, Death & Taxes.

With the way our South African Rand is performing, we would like to add a 3<sup>rd</sup> certainty, which unfortunately for all of us is increased pricing.....!

With the continued devaluation in the foreign exchange rates we are receiving price increase notifications from most manufacturers across the spectrum from workwear, to footwear, to PPE. As a result, we unfortunately have to adjust our pricing based on the increases received.

No doubt there will be more notifications from additional manufacturers going forward.

Please see below for price increase notifications received so far.

**Footwear**

BATA	Increased 1 Feb 2015
REBEL	1 April 2015
BOVA	1 May 2015,
BRONX	1 May 2015
EURO	1 May 2015
LEMAITRE	1 June 2015

**Workwear**

STANDARD WORKWEAR	16 March 2015(immediate)
MAMMOTH WORKWEAR	1 May 2015
JONSSON	1 June 2015

**PPE**

Price changes will unfortunately be much more volatile on these PPE products as the majority are imported and at the mercy of prevailing exchange rates.

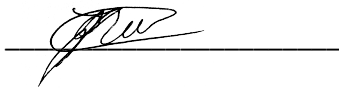

**NB! These prices may change weekly without prior notice so it is important to confirm pricing before placing orders.**

This is going to be a potentially volatile pricing period for PPE so please pass on this information to your staff.

**With all of this unfortunate news we can at least add a 4<sup>th</sup> certainty and that is: CJV Corporate & Safety Supplies will continue to supply you with the best possible products at an affordable rate without compromising on quality and value for money!**

Please do not hesitate to contact us with your needs and be sure to place your orders before the price increase where possible.

Kindest regards,

Jano Nel
